

Shop Steward Round Tables

YEU Shop Steward Round Table learning sessions are offered monthly from September through March. The sessions run on the **2nd or 3rd Wednesday from 9:00 a.m. until noon** in the **YEU training room**.

These round tables offer Shop Stewards and Local Executive members the opportunity to get together, share challenges and successes, and learn from each other and YEU staff.

Union Advisors have chosen a schedule of topics to present and discuss. These are designed to provide Shop Stewards with the knowledge, tools and confidence to better assist members in the workplace.
