

**Shop Steward Round Table**  
**Wednesday January 18, 9am to noon**  
**Sick Leave: Use, Abuse and Proof**  
**Facilitator: Sharleen Patterson**

**The January Shop Steward Round Table highlights Sick Leave and its use. Members often ask questions like;**

- **can I leave my house when I am home sick?**
- **do I have to give details?**
- **what should I write on my leave form?**

**This round table will discuss the nuances and approaches for taking leave, providing information, language in the Collective Agreements, and requests for doctor's notes.**

**Come join Sharleen Patterson to find out more about Sick Leave: Use, Abuse, and Proof.**

**We hope you can join us. Our stewards are our most valuable asset in the workplace. Your confidence and skills are boosted when you participate in training, and network with other stewards. We hope to see you!**

- **Live out of town and can't make it in person? We can phone you to participate via teleconference.**
- **Don't want to lose pay to attend? You WON'T! We cover your salary while you attend Union training.**
- **Not a shop steward but interested in being a resource for your co-workers? Email or call us.**

**Register by return email or call 667-2331. Training takes place in the 2nd floor Dave Hobbis Boardroom at 201-2285 2nd Ave. Whitehorse.**

**Cheers,**
